EMERGENCY DETAILS

Who is calling? ➞ Name, institute, institution, ...

Where? ➞ Address, directions, building section, floor, ...
The official address of the University building alone is often not enough – please be as detailed as possible when giving directions and assign another person present to act as a guide/assistant for the emergency services.

What? ➞ Fire, accident, threat, ...

How? ➞ Brief description of the situation
(e.g. how many are injured, ...)

Wait! ➞ Only hang up the phone when the emergency services center ends the call.
